

OMA Informs on Cybersecurity Breach

Mexico City, Mexico, October 18, 2024— Mexican airport operator Grupo Aeroportuario del Centro Norte, S.A.B. de C.V., known as OMA (NASDAQ: OMAB; BMV: OMA), has identified a recent cybersecurity breach involving unauthorized access to certain IT systems and information. The Company promptly activated its established security protocols and response measures.

OMA's IT team, in collaboration with external cybersecurity experts, is actively investigating the incident to determine its scope and ensure the protection of our systems' integrity, confidentiality, and availability. Our operations are currently running without interruption through alternative and backup systems.

At this time, there has been no material adverse effect on the Company's operations, financial performance, or condition, which assessment will be monitored on an ongoing basis until the situation has been fully resolved. A forensic assessment is currently underway to understand the extent of the cybersecurity incident.

This report may contain forward-looking information and statements. Forward-looking statements are statements that are not historical facts. These statements are only predictions based on our current information and expectations and projections about future events. Forward-looking statements may be identified by the words "believe," "expect," "anticipate," "target," "estimate," or similar expressions. While OMA's management believes that the expectations reflected in such forward-looking statements are reasonable, investors are cautioned that forward-looking information and statements are subject to various risks and uncertainties, many of which are difficult to predict and are generally beyond the control of OMA, that could cause actual results and developments to differ materially from those expressed in, or implied or projected by, the forward-looking information and statements. These risks and uncertainties include, but are not limited to, those discussed in our most recent annual report filed on Form 20-F under the caption "Risk Factors." OMA undertakes no obligation to update publicly its forward-looking statements, whether as a result of new information, future events, or otherwise.
